Field Training

Upon completion of the weapons ranges, the 240th Engineer Group moved in tactical road march to Forward Operating Base (FOB) Custer. This would become home for the next twelve days. Very soon after arriving, we soldiers were briefed on how to respond to simulated mortar attacks.

In the near future we will
"validate", allowing us to soon
leave Camp Atterbury. Before that,
however, we are looking forward to
some time off to be with our
friends and families or simply rest.
